

**ScholarMade Achievement Place of Arkansas**  
**Covid 19 Mandates**

ScholarMade Family and Community:

Thank you for your understanding and patience during this school year. Your support has been uplifting to us and has been essential in contributing to a successful school reopening in August.

We have shared numerous community updates and other communication all year and we appreciate the feedback that you have provided us on this issue. You will continue to receive updates as new information becomes available via email, school messenger, and on the website.

Your feedback has been crucial as we plan for the end of the school year. Our priority is to provide the safest school environment, an excellent educational experience, and opportunities for our scholars as they continue to grow academically and emotionally. We desire to support continued relationship building and access to extra-curricular activities while adhering to the guidance and directives set forth by the Governor, Arkansas Department of Health (ADH), and Arkansas Department of Education (ADE).

ScholarMade has followed the safety requirements and guidelines regarding COVID-19 outlined in its 2020-2021 Ready for Learning Plan. These procedures, which include adjustments to our teaching schedule, daily health screenings, daily temperature checks upon arrival, wearing masks, and social distancing when possible, have allowed us to maintain a safe and healthy environment for our students and staff.

The CDC still recommends social distancing of 6 feet in common areas, when **masks cannot be worn** while eating, during activities with increased inhalation like sports or cheer practice, during recess, and in community settings outside the classroom.

ScholarMade will continue to conduct daily health screenings and temperature checks and will continue to have ongoing deep cleaning and sanitation of classrooms and outdoor equipment.

All other learning aspects remain in place:

- Chromebooks provided for at-home use
- A combination of live virtual instructional lessons and eLearning days
- Access to online learning platforms for daily skill practice and assessments

ScholarMade Achievement Place of Arkansas will continue to abide by the COVID-19 protocols included in our Ready for Learning Plan, including wearing masks, until the end of this school year.

Thank you for trusting us with your children.

Be Well,

Dr. Phillis N. Anderson, Superintendent
